Funding statement.

Funds are required to assist the business with continuing the current positive growth trends. The funds will be used to hire more inhouse staff, marketing campaigns etc.

They want to utilize the funding to strengthen the business and expand what is already an incredibly profitable and strong company.

Deal logic.

You can see the exponential growth from this successful business and allowing them to invest in key assets to propel their growth would be a sound logic.

The business plan is to open further profitable avenues with new digital revenue avenues and investing capital in to the business to ensure that the growth they are enjoying is supported. The money will predominantly be spent on;

- New software and processes
- New staff
- Marketing
