NOTES

Who are they:

Fabric Upholstery London is a company specializing in quality re-upholstery services. They transform worn-out furniture, including sofas, armchairs, footstools, and dining chairs, into beautifully refurbished pieces. Their skilled and experienced team works with both antique and contemporary furniture, focusing on detailed craftsmanship to bring new life to each item.

Fabric Upholstery Limited have recurring notable projects and contracts with the following major names:

- The Connaught in Mayfair, London.
- The Science museum.
- Claridge's London
- Peter Mikic the London-based interior designer who has continuously works with Fabric Upholstery limited on various projects.

With a turnover of £169,809 in last filed accounts and a profit of £28,602, Fabric have invested heavily back into their business from last year and are building stronger relationships with local businesses and designers.

Why they need the funds:

Fabric Upholstery Limited have an ongoing project with The Connaught and they needed access to funds to purchase

- Upholstery,
- feathers,
- fillings,
- and foam.

Additionally, they want to have the ability to cover their daily spend needs, from smaller invoices for miscellaneous purchases to paying their contracted upholsterers.
