## Notes - e.g. Rationale for lend, what benefit will it provide, new contracts, any further info

This business is a physical therapy centre based in Kent. They offer a range of treatments and have 141 google reviews.

Funding is required for cash flow. The business recently completed renovations to their premises out of their own cash. This has created a slight cash flow shortage. This funding will act as a cash flow buffer as they replenish their usual reserves.

Stuart is a homeowner with clean personal credit. His property is worth around £365,000.
