Previous Addresses				

Notes - e.g. Rationale for lend, what benefit will it provide, new contracts, any further info

Business specialise in commercial fire safety equipment. Over the last year they have been moving on to bigger commercial contracts with hospitals. There is not website because all of their work comes through existing contracts and word of mouth. They require funding as they are growing quickly and require to bring on more staff for up coming jobs.

Business has been trading as sole trader business since 2017 but went limited in October 23 as they are growing rapidly.
