The clients business is specialises in removals and relocations. The business offers an end-to-end tenancy and relocation services, providing uncomplicated accommodation and tenancy solutions. More about the business can be found on their website: <https://www.centrallondonrelocations.com/> .

The business is looking to use this lend to repair a current vehicle that is off road. With this lend the business will be able to repair the vehicle allowing it to get back on the road and bring in more turnover for the business. This will allow them to get their efficiency back to normal whilst protecting their cashflow for everyday business activities.

The director is a tenant with clean credit to the best of my knowledge.
