CNET CONSTRUCTION LIMITED has had loads of success in building infrastructures and 5g Towers. Two areas in construction that are currently very sought after and fast growing. Due to the high work volume of work CNET CONSTRUCTION LIMITED are looking for a cash injection of £15,000 which will enable to them to acquire a new van and some new tools. This means the business will be able to work on multiples projects at the same time, increasing revenues while ensuring cashflow stays stable.
