ADDITIONAL INFORMATION

WE HAVE PERMISSION TO SEARCH THE DIRECTOR AND A GUARANTEE IS AVAILABLE

We have advised the Customer concerned that searches with a credit reference agency will be made against their Name and Business; they have consented to such searches being carried out.

Company Information

Hans-Lec Design is a new generation engineering firm specialized in Electro-mechanical Design & Consultancy. They are dedicated to providing their services to contractors, developers, architects, design-build professionals, and private investors. Hans-Lec Design have a large pool of freelance professional engineers, designers and CAD technicians that enable them to be very proactive in their approach to Clients deadlines and timeframes.

Company Financials

In its latest financial year, Hans-Lec Design has achieved a turnover of £72,285, and a profit of £15,644.

Funding Rationale

Hans-Lec Design is seeking a £15,000 loan to address cash flow challenges caused by late client payments. The funds will be utilized to meet obligations to subcontractors and tax payments promptly, ensuring smooth operations and avoiding penalties, ultimately supporting the company's financial stability and growth.
