## Notes - e.g. Rationale for lend, what benefit will it provide, new contracts, any further info

This business cleans and refurbishes vacuums and then resells them online as a refurbished unit. In the last 6 months they have started selling vacuum parts as well. Due to this expansion, they recently moved to a much larger warehouse.

Funding is required to purchase stock to fill their new warehouse and meet demand. This will increase their turnover considerably.

They trade solely online. They do this through third party platforms such as eBay and Amazon as 'Mr Vacuum' or 'Mr Dyson'.

Robert is currently renting his residential address. However, he has a large property portfolio through his other businesses. I have attached this to the proposal. He also has clean personal credit.
