Company Information

V&T FACADES LTD offers professional services for residential, commercial, and industrial clients, including dusting, vacuuming, mopping, and sanitizing. They also provide specialized services like carpet cleaning, window washing, and deep cleaning. Trained staff and professional equipment ensure high-quality, reliable, and tailored cleaning solutions for various needs.

Company Financials

In it's latest financial year, V&T FACADES LTD has achieved a turnover of £171,055.

Funding Rationale

V&T FACADES LTD seeks £20,000 in funding to purchase two additional vans and essential cleaning equipment. The company has experienced growth, expanding its client base across residential, commercial, and industrial sectors. Currently, limited transportation capacity hinders their ability to meet increasing demand and accept new contracts.

Acquiring two new vans will enable V&T FACADES LTD to deploy multiple teams simultaneously, ensuring timely service delivery and enhancing operational efficiency. Additionally, the funding will be used to purchase advanced cleaning equipment. Upgraded tools and machinery will improve cleaning quality, reduce time per job, and ensure adherence to industry standards.
