**Company Information**

Autofixa Limited, started trading in 2017. They initially set out on a journey to transform and future proof clients automotive brands, they have been working for several years on perfecting their operations. In the last year they have launched their finalised marketing product and have onboarded partners such as BMW, MINI, Jaguar and Land Rover. The founder and leader of the company (Laurence Guy) has an excellent track record in the E-commerce space with several accolades of success.

**Funding Rationale**

The loan amount of £50,000 will be utilised to onboard new clients, allowing Autofixa to expand its customer base and increase revenue streams. This strategic investment in acquiring new clients will contribute to the company's growth trajectory and enhance its financial performance in the upcoming periods. As shown in the bank statements, now Autofixa have launched their product, they are experiencing immense growth which has drastically changed their margins. They are currently on track to make a large profit in their first year of trading. This injection of funds will allow them to introduce new member of staff to facilitate their growing demand.
