## Notes - e.g. Rationale for lend, what benefit will it provide, new contracts, any further info

Michael is after 15,000 to help purchase materials up front to be able to cut out the middle man between the client needing the work doing and him self, this loan would allow him to buy the materials needed upfront to start the job and then he will start to earn circa £12,000 per week.

In the last 6 months he has turned over £380,600.23 – with regular payments from his client

He is a home owner, with a value of around 100,00 and a mortgage of around 75,000.

This loan is a vital component to ensure the companies growth and further compound their business longevity
