Company Financials

Turnover 2023 - £226,139
Loss £51,094

Management Accounts 2023-24:

Turnover £687,074.37
Loss £16,211.21

Funding Rationale

Vue Media Ltd is seeking a £50,000 loan to improve cash flow and increase staff costs. The company has grown at a very quick rate and not had sufficient cash to keep up with wage and material costs. This injection of funds will help the company manage day-to-day expenses more effectively and support the hiring of additional staff to meet growing demand. As you can see from the MI 2024, the business is going in the right direction and the director has mentioned some large contracts in the pipeline worth £1m+.
