### Proposed Finance

Amount and Term	£30,000
Date Required	ASAP
Purpose of loan	<p>They are a metal fabrication service business doing a wide range of work from gates to stairs to interior design pieces.</p> <p>Business has been going well recently but they have just taken on the workshop next door as the mechanic who used to be there has retired. They have already taken on the new workshop and are using it as storage currently.</p> <p>They need £30,000 to help fund changing the workshop to suit their business. They will need to buy some more machinery now they have more space which will allow them to do more work in house as opposed to outsourcing meaning costs will be lower and profit margin better. They also need to flatten the floor so it is suitable for their type of metal work.</p>
